#### SANTA FE PASSENGER TRAIN JUMPS TRACK

Engineer Killed, Fireman Fatally Injured, but Passengers Unharmed

Albuquerque, N. M., Oct. 4.—East-bound passenger train No. 10 on the Santa Fe jumped the track on a curve near Laguna, N. M., 46 miles west of here, killing engineer James Englehart and fatally injuring Charles Quinn, the fireman.

The entire train except the Pullmans left the rails, the wreck delaying traffic 12 hours. No passengers were injured. The dead engineer and injured fireman both lived here. No. 10 was running late at the time of the derailment, and the soft track is believed to have been the cause of the accident.

Cheerfulness, strength and the rosy bloom of health speedily return. Price 25c per bottle. Sold by Scott-White & Co., 294 Mills, and Depot Pharmacy.

#### PROPOSES PLAN TO ENCOURAGE MINING

The Southwestern Mining and Development company is being organized by M. R. Parker for the purpose of promoting legitimate mining development in the southwest with El Paso as a center. The plan of the proposed company were presented to the directors of the chamber of commerce Tuesday evening for endorsement and were received favorably by the directors.

The plan as outlined by Mr. Parker includes the formation of a company in El Paso and the southwest for the purpose of encouraging legitimate mining development enterprises and discouraging the "wildcat" projects which are often exploited here.

The plan as suggested is to have 1000 men subscribe for \$1000 worth of stock in the company, paying \$100 down and \$150 each year for six years. To start the company Mr. Parker proposes to secure 50 signatures of local and southwestern business men who will take the first 50 blocks of stock.

Two new members, Dr. L. G. Whitehead and C. Ruedenbach, Jr., were voted to membership in the chamber of commerce.

#### MORE HOUSES ARE NEEDED IN CRUCES

Already There Is a Scarcity of Dwellings For the New Comers

The office of The Herald for Las Cruces is in the Robinson Drug Store, "The Quality Store." This firm will deliver The Herald each night at the regular rate of 50 cents a month.

Las Cruces, N. M., Oct. 4.—There is a scarcity of houses in the city for residences, there being possibly two or three vacant houses for the many people seeking residences, and this condition is expected to become much worse in the next two months, with the influx of health seekers and new settlers who come in daily from the east, west, north and south, more houses for rental purposes on the vacant ground adjoining the town are badly needed.

Judge Edward Mann, of Albuquerque, was in the city yesterday and was much pleased with the development since he was last here. He returned north last night, bound for Santa Fe. Mrs. W. H. H. Lielewitz, it is understood, has received an offer to put her own price on her 53 varieties of canned goods, by sending El Paso grocers. Many of the women could have sold all their prize winning goods to live El Paso merchants, who had representatives on the grounds to bid it in, but they wanted it for home consumption.

Mrs. H. R. Holt entertains this afternoon at her home on Alameda, drive in honor of Mrs. Herbert W. Yee, of Elephant Butte, the occasion being an informal gathering of Mrs. Yee's friends during her residence in our city.

There is a constantly growing and enthusiastic crowd of citizens of the town talking of the Statehood Jubilee, and the people are few and far between that one meets about town, who are not going to attend to a body. They express the sentiment that El Paso boosted the fair, and El Paso boasts every project launched by the Media valley generally, and they are getting down on the first train the first day to remain till all the festivities are over.

#### ASK YOUR NEIGHBOR

Hundreds of El Paso Citizens Can Tell You All About It.

Home endorsement, the public expression of El Paso people, should be evidence beyond dispute for every El Paso reader of the merit of Doan's Kidney Pills. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in far-away places. Read the following:

Thomas Townsend, 415 North Oregon street, El Paso, Tex., says: "I can recommend Doan's Kidney Pills as highly today as when I gave a statement for publication in their praise over two years ago. For some time my kidneys were weak and I was obliged to arise often during the night, owing to an inability to control the kidney secretions. The use of one box of Doan's Kidney Pills, procured at Kelly & Boland's drug store, strengthened my kidneys and made a marked improvement. I have not had much trouble from my kidneys since then and consequently I am always willing to make the merit of Doan's Kidney Pills known."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

#### Years of Suffering

Catarrah and Blood Disease—Doctors Failed to Cure.

Miss Mabel P. Dawkins, 1214 Lafayette St., Fort Wayne, Ind., writes: "For three years I was troubled with catarrah and blood disease. I tried several doctors and a dozen different remedies, but none of them did me any good. A friend told me of Hood's Sarsaparilla. I took two bottles of this medicine and was as well and strong as ever. I feel like a different person and recommend Hood's to any one suffering from catarrah."
